---

## Professional Experience

Mike Ueltzen CPA, CFF, CFE is a partner in the forensic accounting firm of Ueltzen & Company LLP. He has practiced as a CPA for more than 40 years and has provided forensic accounting services for more than 30 years to a wide variety of clients throughout the U.S. that have involved investigations of fraud, financial statement fraud claims and corporate special investigations of claims of financial statement improprieties. He has testified as an expert in more than 100 cases.

## Professional Organizations

Ueltzen is currently a member of the AICPA National Accreditation Commission and is the former chair of the AICPA Forensic and Valuation Services Executive Committee. He was also the first chair of the AICPA Certified in Financial Forensics (CFF) Credential Committee, which was responsible for the development of the Educational Program and Examination for the CFF Credential. He's the author or co-author of several AICPA Practice Aids, Special Reports, and articles on fraud investigations.

Ueltzen has been involved in a number of Madoff cases, Tom Petters matters, Enron claims, the Scott Rothstein investigation, the City of Dixon, Ill. fraud, and many other fraud and fraud-related matters.

## Education

Ueltzen has Master's in Business Administration and Bachelors of Science in Accounting degrees from California State University in Sacramento.
